

enterprise system and the importance of higher education, community service, and the vision and determination to achieve a better future. These are the ideals that serve as Fred's North Star.

Throughout his career, Fred has exemplified the best of American exceptionalism. In addition to his time in the private sector, Fred has spent decades giving back to his community, whether through his time as the chairman of the Inova Health System Foundation or through his participation on the board of the Wolf Trap Foundation for the Performing Arts. Additionally, and one of my personal favorites, Fred is a recipient of the Loudoun Laurels award and the Loudoun County Boy Scouts' Good Scout award.

I would also like to congratulate his wife Karen for her contributions to these causes over the decades. I know firsthand how important a supportive partner like Karen can be, and I am so pleased that you both are recognized in such an appropriate manner for your efforts.

Congratulations.●

RECOGNIZING SER FAMILIA

● Mr. OSSOFF. Mr. President, I rise today to commend and celebrate Ser Familia, an organization in Atlanta focused on helping Georgia's Latino families gain the tools and resources to solve challenges and flourish in their communities.

Natives of Puerto Rico, Belisa and Miguel Urbina cofounded Ser Familia in 2001. For more than 20 years, Ser Familia's vision to assist Latino families reach their full potential and become contributing members of their communities has changed the lives of hundreds of families across Georgia. From teaching youth character building and leadership skills to offering counseling services on behavioral and mental health, Ser Familia continues to expand its positive impact on the Latino community by developing programs that are tailored to address the greatest needs of youth, couples, parents, and families.

As I have said before, the State of Georgia is home to a vibrant and diverse Latino community, and I am grateful for the extraordinary contributions of people like Belisa and Miguel Urbina who work tirelessly every single day to guarantee that all members of the Latino community have access to opportunities that help them thrive. I have enjoyed working closely with Belisa and Miguel to deliver the resources to help Ser Familia open a family resource center in Clayton County, helping expand their comprehensive services to the community.

I join with our Latino community to commemorate the remarkable work and contributions of Ser Familia to the Atlanta community, the State of Georgia, and the United States. Their leadership is a reminder of the outstanding contributions of Latino Americans who

are committed to moving Georgia and our country forward.

As Georgia's U.S. Senator, it is my honor to recognize and commend Belisa and Miguel Urbina for their service on behalf of Georgia's Latino families and congratulate them on Ser Familia's success.●

TRIBUTE TO DR. EVANS P. WHITAKER

● Mr. SCOTT. Mr. President, as the junior Senator from South Carolina, it is my pleasure to honor Dr. Evans P. Whitaker, who has dedicated his life and career to our State and the advancement of Anderson University. In November of 2002, Dr. Whitaker assumed the presidency of Anderson University following nearly two decades in higher education leadership, where he served at Gardner-Webb University, Wingate University, and Belmont University. Today, I ask my colleagues to join me in celebrating 20 years of outstanding service from Dr. Whitaker and Anderson's first lady, Diane Whitaker.

Under his leadership, Anderson University has evolved into the largest private university in the State. Dr. Whitaker also led the efforts to create the South Carolina School of Arts, a premier arts conservatory, to establish the school of nursing and to form the college of engineering. In addition to new degree programs, Anderson has experienced consistent growth in enrollment, freshman retention, and campus acreage. His visionary leadership has allowed innovation to enhance education and the quality of life in our State.

Anderson University's beautiful campus is a resource to the upstate and our State. Home to the Rocky River Conservancy, Anderson promotes conservation, outdoor recreation, and educational opportunities for the community. Clearly bearing the personal touch of Dr. and Mrs. Whitaker are the beautiful buildings, picturesque Alumni Lawn and enhancements across campus that Anderson students and residents alike enjoy.

For 20 years, Dr. and Mrs. Whitaker have helped Anderson University reach new heights of success through increased academic offerings, higher rankings, and solid institutional ratings. Throughout his tenure, Dr. Whitaker has been recognized in Anderson and across South Carolina for his leadership, unwavering service, and vast contributions to our great State. Congratulations to Dr. and Mrs. Whitaker on this distinction and for reaching this significant milestone. Thank you for your excellent stewardship of Anderson University.●
